## BMX RACING

Every penny invested in my season is an investment in of uncompromising effort, which is accompanied by the potential to medals. The opportunity to connect with me means more than just a logo on the jersey. It is a partnership...

- Promotion on social networks: Instagram, Facebook, TikTok, YouTube.
- Representation of the brand: at races of national and international importance. Your signature will be visible in every video and on every podium.
- Advertising options: distribution and promotion of advertising material, introducing the brand in promotional activities.
- Media magnetism: Media interest is guaranteed when you connect with a story that is just as compelling as mine – The story of a boy who plans to pedal from the streets of Bratislava to the Olympic track. Your brand, my journey – sponsor a game-changing ride.

## BMX Racing: The Sport of the Future

BMX Racing is not just about a sporting discipline; it's about courage, innovation training routines and the unstoppable excitement that ensues with every racing experience. As your ambassador, I will wear Your brand on every jump, on every track, at every exit, and this in a sport that is growing as fast as my ambitions.
